“ My condolences to Alyssa and the family.

I was always happy and enjoyed having Andy on my project boards, especially when there was an issue related to the project. Andy always listened and asked questions to understand the issue. But most importantly, he was open to discussing various approaches to solving the issue and supported the direction agreed upon. The sign of a true leader.

Rest in Peace, Alan DeBona

“ I am deeply saddened to hear about Andy's passing that is way too soon. I have so many wonderful memories of the years at Air Products and it is because of special people like Andy. Andy was always there for you, gave it his all, and positively impacted everyone he worked with. He inspired many to be their best.

Alyssa, you and the family are in my thoughts and prayers during this extremely difficult time.

“ I have read all of the beautiful comments written about Andy on both the Trexler Funeral Home Tribute and the Morning Call, and would like to thank each and every person who took the time to share their sentiments, photos and memories, cards and flowers. On behalf of our family, thank you so much.

This is by far the most difficult of times. For me, Andy was the love of my life and best friend. His passing was unexpected and could never be anticipated at this time. I can assure you that Andy was so happy with his life and was able to spend the utmost quality time with all of us. Andy and I were inseparable and lived a lifetime in our time together. We liked it that way. He was a beautiful man in every way and had such a calm and gentle spirit. He loved us all very much.

Attached is a photo of Andy and I from our recent trip to Hawaii. We spent a wonderful two weeks with his son Brian, daughter-in-law Laura and our grandchildren, Dylan and Ben. I'm so grateful we were able to spend this recent time together. I'm so thankful to Brian and Laura for arranging this very special photoshoot on the beach.

Wishing each of you peace on this Thanksgiving Day.

Thank you very much. Alyssa Budraitis

“ Alyssa,
Sorry to hear of Andy's passing. I have a memory that I'd like to share with you and I hope you remember this moment as you were part of it. Was harvest time for the IT folks to pick potatoes. I remember both You and Andy came by to say hello while I was picking up potatoes, and I stood up and said hello and gave You a hug and when you giggled a little bit, I went and gave Andy a hug as well, your giggle turned into a pretty good laugh!!

I wish we could have met for a drink or lunch at one of the Taverns on the finger lakes. Would love to have seen you both. I missed Andy when he retired from ole APCI. He was always one of the good guys, and cared everyone. I'm sure Andy will be missed by many.

*I'm sure that Heaven is even the better, now that Andy has arrived.
HUGZ to YOU Alyssa and the entire Family.
With LOVE*

*Your Friends Always,
Dennis "SZAK" and Debbie*

“ Dear Pop,

I think you were the best military worker in the world. The memories we have will always be with me. I loved our Memorial Day clam bakes at the Lake. I loved hanging out and riding on the boat with you. You will never be forgotten. I will miss you a lot and never forget you.

“ Alyssa,

I'm so very sorry to hear the tragic news of Andy's passing. He was a kind and gentle man. He always has a smile on his face but none as big as the one he wore when he announced his retirement! He left too soon. He will be missed by many. I hope your memories give you peace and comfort. Prayers to you and your family!

“ Alyssa,

Debbie and I were shocked and deeply saddened to hear about Andy's passing. On the first day that I met him in 1996, he told me that he viewed IT infrastructure like a utility company that needs to quietly but reliably provide its services with zero interruptions. Under his leadership, Air Products could always count on that. I greatly admired him as a leader and wonderful colleague, and will miss him. I wish you and your family the best during this difficult time.

“ I was so sorry to hear about Andy. Far too young. I met Andy in the early 1990's at AP and I worked with him and for him for many, many years. He was a great leader and a trusted colleague. The last few times I saw Andy, especially after retiring, it was apparent that he was very happy with his life - his love for Alyssa & his family & the lake house shone through. I am thinking of Alyssa and both of their families in this very sad time. Andy will be remembered always and truly missed.
