“ Joan, Lori, Tracy,
I was saddened to see your mother passed away. My dad, Charlie Remmel, and your mom were an important part of each other's lives for many years. He spoke highly of you. My sympathies to you and your families. I was also sorry to read about the passing of Lori and Joe's daughter, Kristin, and Tracy's husband, Ron. Too much sadness. May memories of your loved ones always be close in your heart.

“ When we were young we spent a lot of time with your Mom and Dad. We have fond memories of those times. I will miss talking with her on the phone. We had talked about her visiting when things were more settled. Sorry that will not happen. My love and prayers of comfort are with you all at this time!
