“ *Barb was amazing. She had the ability to make anyone feel like part of the family. From day one as my promoter for Miss Glamour she along with Kathy gave me the support I needed. Her kindness was unmatched. From our trips to the beach to our trips to Miss America, those are all the amazing memories I will remember and cherish.*

*I learned the true meaning of friendship when I met Barb. We worked at The Fresh Market together for a few years. She was an amazing person with a huge heart. I had the opportunity to celebrate a few birthdays and holidays with her where she welcomed me into her life, her home and with her family with open arms. She will truly be missed but never forgotten. My thoughts and prayers go out to Kathy and family in their time of loss.*
