“ In the past few years I have become close friends with Carol's daughter Nicole Strawdinger. I needed an Angel sent and Nicole brought me back to life with her Free Spirit, her love for her family and her positive outlook on living everyday to the fullest. I never had the chance to meet Carol in person yet I felt like I knew her just from the memories Nicole would share and through the photographs of Nicole and her beautiful daughters smiling big together and I know she is smiling just as big today with all of you. Thank you for allowing me to share.
