“Aunt Kitty — Thanks for all your guidance over the years; especially the trips to Bowie and Wash D.C. with all of your sisters. The thanksgiving dinners were quite special, and I take time to mention that you were always special to me.

Love
Johnny

“Mom, while I grieve your loss, I know you have been reunited with all who passed before you. Poppy was waiting for you so you could dance the waltz in Austria once again. For those left behind, your mission of "talk to Jesus" will live on in our hearts
