“ ..... You are watching your favorite Friday night tv show and laughing (always loved loved your laugh) w God and his angel's right now. You loved to share the inside scoop of the house drama with me LOL and always had funny stories of your best buddy Olivia to share with me. You are a beautiful soul and treated me so incredibly well. I love you Nana!!! You dealt with more than anyone I have ever met and you still laughed and smiled every time that I saw you. You're a true gift from God and I am so blessed to have known you! You made me laugh and I absolutely enjoyed our time together!! May you continue to laugh in heaven and I will be there to see you one day. Love you Nana!
