“ Dear Joe & family,

My sincere sympathy on the passing of your mother. I met her through my co-worker and her next-door neighbor, Jean Ruch. I have fond memories of the 3 of us at the ceramics classes we took together. I was also a patient at the physical therapy business. Eloise, Joan and Corinne became close friends who treated the clients like family. The last time I saw Corinne (after John passed away) she told me you wanted her to move closer. I'm sure she was glad she did. May all your memories of your mother be happy ones.
