“ Dan and I worked together. He would call me for assistance, if it was needed. We always set aside a minute to catch up, before ending the call. I remember he was so excited to take his grandkids on trips with his wife Ilse. I remember he was super excited to go to Knoebels and "see the grand kids reactions and just spend time with family." He would tell me stories about his wife, daughter and grand kids everytime he would call and I about my husband and dogs. He would tell me his plans for the weekend and you could always be uplifted by his excitement when you heard him talk about the love of spending family time. He was one of the favorite parts about my job. His laugh and conversations will be missed. Prayers to the family and friends. You will be in my thoughts and prayers.

“ My condolences the family. I went to school with Dan and was a fellow Trans Am owner. We had some memorable times back then. Had been trying to track him down recently but so sorry to hear of his passing.

“ My condolences to Ilse and Jennifer and the rest of the family. Just found out about this. I liked Dan in high school, and played football with him. I did not know he was ill. I am so sorry.
