“ So sorry to hear this sad news. Debbie and I knew each other back in high school. I live out of state, but a few years ago when I was back in PA visiting, I had lunch with Debbie and another friend. It was so nice to connect with her. She was a wonderful person. My thoughts and prayers 🙏 are with her family. May God help you through this difficult time, and may you find some comfort in all the wonderful memories you have of her. ❤️

“ Dave, Steph and David I was so sorry to hear about Debbie today. While we have not been in contact lately the support she offered us over the years, sharing stories and brainstorming ideas was so important at the time. Deb was a good friend and I will miss her.
