“ To Diane’s loved ones,
I worked with Diane at Berkone, we were great friends and ate lunch together. She loved dressing up for Halloween at work. The pictures are from 2018 Halloween , and the day she retired. She was so proud of all of you and spoke of Brandon and what he was doing at the time. She talked about your father’s trains and my husband and I met him at Mayfair when she was working for the winery. She was a wonderful friend and I’m sorry for your loss. May she rest in peace.
Her friend and coworker,
