“ *I'm so sorry to see Eleanor's passing. For many years she was part of "The Allentown Gang" going to our POW group ADBC Tri-State Chapter Meetings and the National Conventions. We had a large group back then and always enjoyed our time together. The men attended meetings and the women shopped and ate and had great conversations together. For 40 years we went strong but eventually all good things come to an end. God Bless You All for loving your Aunt like you did. With sincere condolences, Mona Bridges Woodring, Daughter of the late Rose and Talmadge Bridges.*
