“ We are so sad to hear of Elmer’s passing. He was the moderator for almost all of our son’s Junior GALV tournaments the past two years. Chase will miss him on the course. He made a huge difference in the lives of others. Rest in peace.

“ Jon and Steve. This was such sad news to receive. Uncle Elmer has been so supportive of me my whole life. He actually taught me to drive after my dad almost strangled me while driving on Grape Street with my learner's permit because my driving stressed him out so much. Uncle Elmer assured my dad that I was a great driver and got me all trained up to get my license. Whenever I came from Maine to visit my dad in Fullerton, Uncle Elmer would show up to visit with me, sometimes bringing his lovely friend Sharon. He provided my dad with so much help and guidance and he really was the only one my dad completely trusted to give him good advice. He would stop in to visit his brother (my dad) at least monthly and my dad absolutely loved and looked forward to his visits. He would pass along all the info on who of their shared acquaintance had passed on. Prayers and hugs to both of you from your cousin Liz and Uncle Paul.
