“ *To my sweet mother,*

We are going to miss you more than you'll ever know. So many fond memories of when we were young, you, dad, Kyle and I. A lot of fun trips and great moments together. I know times were tough when dad passed, but you did a wonderful job picking up the pieces and raising us to be decent young men. Thank you again for being so loving and supportive, not just for us, but for family, friends and your beloved pets, including Trina. You are now reunited with dad and no longer in pain. Rest easy. We love you, Mom.

Love always your son, Brian.
