

Geoffrey S. Rogers

March 6, 2024

All Creatures Great and Small.

Geoffrey Stuart Rogers cycled to Heaven on March 6, 2024. Geoff was born September 1, 1965 in Oakville Ontario and called both Canada and the US home. He was a professional environmental chemist who enjoyed the precision and camaraderie he found in benchtop lab work. Geoff will be remembered for his gentle soul, love of music, movies, puns, pop culture trivia, and working on house and garden projects. His greatest joy was found in special adventures and quiet moments with his wife and beloved of 32 years, Deirdre Marisa Kwiatek. He loved his family, friends, and dogs, Georgian Bay, and riding his bike - especially through the rolling hills of Pennsylvania.

Predeceased by his parents, Virginia Lee and William Parke Rogers.

Geoff is survived by his wife (pups Trip and Hazel), siblings Mimi Gray (Bob,

Michael,
Katie, pup Cleo), Eric Andresen (Helena, Morgan, Sean, Sasha, Dillon, pup
Kona), John Rogers
(Sherrida, Rebecca), Martha Solomon (Jesse, Montana), Lisa Rogers
(Chanel, Taylor) and PA
family Adrienne Kwiatek-Holub (Chris, Brad, Daniel, Joshua) and Brandon
Kwiatek (Hillary,
Lucy, Elias).

A celebration of life and bike ride will be planned for a future date.

Donations to the
PA Hope Ride or Tour de Tush, two causes he supported and cycled for,
would be appreciated.

And, as Geoff would say, be sure to √ UR :

Tribute Wall

JD

“ We are still numb of the passing of our dear friend and neighbor Geoff, you were a kind and giving soul, I will miss our chats out front and our rides together, sharing tools and house maintenance ideas and swapping beer for the tasting and those tasty peanut butter squares you would surprise us with, rest easy my friend and we shall look after Deirdre, and the pups as you guys are our family. Debbie and Joel Diefenderfer, Frank too

“ Geoff was friend and fellow cyclist who reached out wanting to help with the Tour de Tush. He was a passionate soul who wanted to share his experiences to help others. I am grateful to have known Geoff and his impact on me and others involved in the ride will never be forgotten.

GS

“*Geoff was our dear neighbor on 2nd Street. He was a gentle giant of a man. He had an empathetic & caring heart. We spoke over the fence (“Mr. Wilson” chats) so often. On his down days I would take over “lemon orzo chicken soup.” When he was back up, he would bring me a few “cut flowers” from the garden. Geoff’s passing is a loss to the neighborhood community. Our entire family is grateful for the gift of friendship with this fine gentleman... and his dear wife, and the “pups.”*
