“ JR was my younger brother by 2 years. There were 6 kids in our family. We lived in Philly. We were close growing up. We played alot outside. JR and I bummed school for the frist time after my dog was taken to the SPCA. We went there to see what happened to him. We used to play halfes and wall ball. I loved my brother so much And I will miss him. He was always the life of the party. Always telling Jokes and always had card tricks for the kids. He always loved the kids. I say he's a real ham. He loved his family and would do anything for them.
