“ Brenda, I saw you mothers obituary and am so sorry for your loss. I first met your mom when I was a new R.N. on T-3 of the Allentown Hospital she was a very patient and caring person and a great nurse. I then got to know her on a more personal level when I worked with you on W-6 and often ran into her when she volunteered for the hospital. Be sure of my thought and prayers.
Sincerely, Monica (Snyder) Quitinsky

“ I have very fond memories of Jackie when she volunteered at Lehigh Valley Hospital. She was a true “dynamo” with lots of energy and a caring spirit. She will certainly be missed.
