“ Our condolences to the whole family! Wish we could be there with you today. I have had the pleasure of knowing Janet for many, many years as her financial advisor but more importantly as a friend. She was a compassionate, kind, loving, strong woman who loved her family! She leaves a legacy that will continue to thrive. She was so proud of her family and was very involved in all their lives, always there for them. She will surely be missed. I have many fond memories of Janet that I will hold in my heart forever. Sending you all a big hug.

“ Where I get my kindness, my fun loving spirit, my love of music and dancing, my love of hugs and kisses especially for the little ones and above all my love for my family? I get it all from THE BEST granny anyone could ask for. 💕 You will be missed but your spirit will live on forever in all of us!
