“ My dearest Friend Janet... My heart is once again shattered by your passing. We became friends on the day we met in 1975 and remained the best of friends until that sorrowful day, October 24, 2021 when you passed into the loving arms of Jesus. I will always remember the everyday years we spent together. The best of times at Olympic Gardens. Through the years are bond became even stronger. You stood beside me when Jim and I got married. You were Aunt Janet to my children, who loved you so much. I could go on and on in print but never have enough words to tell you how much I cherished our friendship and i never will know that ever again. I will miss you all the days of whatever time I have left here, but then I know we will meet on the other side and continue where we left off. Two wild and crazy Girls. I love you
