“ Jason and I began work together at the hospital in 2006. We were both hired and trained by Ron Davis. Jason was the first person to notify my when Ron sadly had passed and it was a great comfort to attend Ron's funeral together. I would have liked very much to have been present to pay my respects to Jason the way we had done for Ron.

Jason and I would often discuss his dreams of traveling abroad and visiting the beautiful cathedrals of Europe. I pray that he is now in a place more beautiful than any of the earthly wonders he had longed to see.

“ Jason, you will be missed by so many at St Luke's. The last 19 years working with you I have learned so much trivia. Sure will miss the conversations in the hallway. Thank you, Jason, for all you did for the patients and for us employees.
