“ Jolene has been A life long friend. We were both part of a group of young couples that shared, weddings, celebrated birthdays, had progressive dinners at each others homes, we had picnics and shared stories of our children growing up and then our grandchildren. We shared the joys and sorrows of our lives and our faith in God. There were only a few of us left to remember the passing years. To Melanie and Gayle and their families, I send my deepest sympathy and prayers. Jolene was a very special person and I will miss her. You are in my prayers for God’s comforting love and peace.

“ I’m so very sorry to hear of Jolene’s passing. She and my dad met years after they both had worked at WKAP and years after they were both widowed. They were companions for many years and she made him very happy. She was a lovely person and will be missed.
