“ It was in 1995. The first person I spoke with from Mopar Madness was John. He signed me up, and I became a Club Member but most importantly, his good friend from that moment on.

Seeing John (and Sandy) at the Mopar Madness Cruises....collecting 'entrance' donations for Dream Come True, giving out door prize tickets, always with a warm smile and a friendly, hearty greeting (and with his Satellite Convertible parked nearby), will remain a treasured memory for me and I'm sure, for countless others as well.

It is a very sad day for all who those knew this wonderful man. To our dear friend Sandy....Anita and I send our most heartfelt sympathy and condolences. May your many happy memories of 50 plus years with John (you were the perfect couple) help to sustain you at this most challenging time and in the days to come. Our thoughts and prayers go out to and will remain with.... you, Tom, Mikalya, Natalie and your family.

God bless John DeMelfy....just an all-around 'good guy' and a true friend to all. Rest in peace, pal. Until we meet again....
