“ I’m so heartbroken to hear of Karen passing! So sad! We had many childhood memories of our families together! All of us kids hanging out at Phyliss’s house and their family always coming to our house! My parents were friends growing up with Phyliss and Slim and us kids all became lifelong friends! Karen was always there with us! Phyliss was so dedicated to her! They both will be missed dearly! Rest In Peace Karen and Phyliss! Love Sue

Richard, Robin and Tammy,
We can’t even imagine the sorrow you are experiencing, losing your Mom and sister within one week. They were devoted to each other in life, and now will be together for eternity. We remember your Mom walking Karen past our house every day and all the Madison Street kids playing together. We pray God will comfort you as you grieve your loss.
