“ Mike and I are so sad to just now hear the news of Linda's passing. Always cheerful, with that Bernhard humor... she loved her children and siblings, grandchildren, nieces and nephews. I remember her to be one of the "hip" relatives. So very sorry for your loss.

“ Linda and I have known each other since Stevens Elementary School. We went to different junior highs but came back together at Dieruff. We had so much fun driving around the east side in her '59 Mercury and hanging out at Fuzzy's. We even celebrated graduation at the Village Inn Restaurant along with Linda Balliet. I'm glad Linda was a part of my life for so many years. Rest in Peace, Linda, you will not be forgotten. Jan Hohe {Janice Binkley}

“ I think I knew even then.....but I definitely knew later on....that no one could have been a better best friend than Linda. Throughout our years at Stevens elementary school, Linda and I were pretty much inseparable. She was fun, kind, collaborative, generous, witty, adventurous, and genuine. And really, those memories rank at the top of my childhood years. We could talk for hours about an enormous range of topics: from whether our recess kickball game was fair to whether we'd ever want to move away from our neighborhoods. (I think we most times thought no). Linda's mom said when Linda and I had our heads together, there was just no separating us. There have been many great friendships through the years but when answering the website security question "what is the name of your best friend?, I always respond "Linda Patterson". Her name pops right up and with it, all those good feelings and memories. To Ronnie and Barry and Linda's family and friends, please know I am sorry for your sadness and hold you in my heart. I'll not ever forget Linda and feel blessed to have had her in my life.
Sincerely,
Phyllis (Repp) MacKay

“ My condolences to Michele and Pam on the passing of their mom. She and Ronnie are watching over...together again. These are very old photos of them that were among Ronnie's and my grandmother's things. May Linda rest in peace and her memory be eternal.

“ *I'll always remember Linda being so patient with Brennan as they are drawing chalk on the driveway and he's telling her all these types of shapes and animals to draw. Every morning in the spring and summer that Brennan would eat his breakfast outside on the back porch, the first thing he would do was go over to the screen and yell at the top of his lungs "HI LINDA". Sometimes she was outside, sometimes she wasn't but he would still yell to her every single morning. We will certainly miss her. Sending you all lots of continued love and prayers <3. Love, Caitlin, Anthony & Brennan*

“ *My deepest sympathy on Linda's passing. I knew her through Phoebe, where I worked as an Activity Assistant. Linda was a devoted sister to Jean and a very compassionate woman. I hope happy memories bring comfort.*

“ Linda touched the lives of the many children she helped to teach at St. Margaret’s Nursery School. I had the privilege of working with her for 12 years and was always aware of her nurturing presence with the children. She will be missed by many. My prayers to her family.
