“ We are saddened to learn of Mabel's passing. She was my Mom's (Elaine) good friend at Parkland Manor. They were always together and looked out for each other. We visited Mom often and always enjoyed talking to Mabel - such a lovely, classy lady. She was the only person we knew to make 100 years old! May she rest in peace - we were so glad to know you!

“ We, her former neighbors, are saddened by her passing. We still look for her sitting on her sun porch reading the paper. You were special if you received one of her many home made hand towels. She was a good neighbor and is missed by many of us. Charlie & Rita Koller
