“ I am so sorry for your loss. I have no words, just loving memories.. .

.  
Our parent playing cards...

Our mom's phone conversations...

And Sharing of food between them.

I cherish all the memories along with her delicious kiffel recipe.

I am sure the four of them will be at a card table soon.

Peace and comfort to the families.

Thank you Karen for sharing those lovely thoughts and memories.  
Each year, one of the best parts of Christmas Day for me was walking through the back yard to your home and spending Christmas evening with you and your parents. And yes! All the good food!! My mom's kiffel's, your mom's kibbie. xox
