“ Dearest Lynn and Barbara,

Prayers of comfort and peace in these passing days of remembrance and tribute to the life of your Grandmom and your Mom. Even though I only knew her a short time from a few memorable encounters, my memory of her is most certainly everlasting. Marguerite's smile, wit, and flirtatiousness has brought forth an enduring joyfulness to my soul. Her tenacity is included in that statement as well.

When our hearts possess great sorrow from the passing of our loved one and its weight is truly exhausting; may we recall that our sorrow comes from the intense love that was shared. It is this LOVE that we carry forward in our memories of happiness and even in sorrow. It is this LOVE that we have lived our lives for. It is this LOVE that SHE shared with us.

Tears of JOY of a wonderful life fully lived. Tears of Sorrow, for her Life that is now gone from this earth. I am honored and thankful for this blessing.

*All My LOVE,
Terry*
