“ Very sorry to hear of both Marilyn and Frank’s passing, I knew them for many years, I did their hair for many years until they could no longer come and I knew them before I did their hair when someone else was doing their hair. They were a very special special and loving couple. I remember hearing all the stories about their lives, family, and trips to Penn State for football games in the RV. I myself now enjoy going to Penn State football games since both of my daughters have gone and are still going there. WE ARE! May they rest in peace and enjoy eternal life together. 🙏🙏🙏 It was a pleasure knowing them.
Sincerely, Lisa Hauser
