“ *I would like to extend my heartfelt condolences to Miriam's family. I worked with Miriam at Stockton College and we shared our lunch breaks with each other quite often. The best was our road trips from NJ to Reading, PA to go shopping at the outlets. We would leave at five in the morning, eat breakfast, shop, have lunch and drive home. She loved to shop but not as much as going to the casinos in AC. I will miss our conversations and reminiscing.*
