“ *In my youth, our home was decorated with ceramic pieces that my mother enjoyed making under our Aunt Orchid’s tutelage. Over the years, my mother shared her ceramic creations, and they now reside with me, my sisters, and our kids. At this sad time, I’m grateful to have these treasured memories.*

“ So very sorry for your loss. I remember growing with up with Robin coming to her house she always was making pottery, sewing and helping out at the church bazaar with all her beautiful handiwork. Thinking of you all at this sad time.
