*My condolences to you and Michael and your entire family. I had the privilege to work with your Father Jack and then later with Pearl also at the Jewerly store. Working for them wasnt a job it was more like spending time with family. I will cherish the time and memories that the 3 of us created. When I was a young man Pearl would show her kindness and caring side by taking time to talk to me about what was going on in my life .She was a wonderful lady may she R.I.P.
