“ The last time I saw Beck and Peggy was on a trip up from NC, where me and Mike were living. We took them to the Casino in Bethlehem and had plans to do lunch after we were done. Well, while there, Mike was playing a slot machine, not winning as "usual", ha, ha.... So he said you Try, Gary. My luck is better than Mike's when it comes to Casino's and Bingo.. :) Well, four spins at that slot machine and I hit \$1,200.00. So, off we went to Lunch at Japanese Steak House. on me the lucky gambler. We had a wonderful meal and great time.
