“ Pete was my husband's first friend in the west side of Allentown. And they remained friends for all of these years. Over 70 years. We have so many wonderful memories. His wife Branda became my best friend and the four of us had some wonderful road trips up to Vermont in our TR 250 top down cars. When we started having kids, we spent many holidays and times together. Pete and Tim were in a tennis foursome for We severalyears. And Peter certainly loved boating as well as the shore. We saw him recently, and we were reminiscing about some of the good old days. And making him smile that quirky little smile.

We will miss you, Pete. Fly high our friend we love you.
