“Daryl, Betty, Kathy and Robert; I was saddened to hear of Mom's passing. Phyllis was a dear friend to my Mom and Dad, Uncle Bill, Aunt Lorraine and a score of others who grew up in Cetronia and Fogelsville. We all have memories of clam bake picnics and old style partying the likes our generation can't appreciate. I can't think of Phyllis without attaching your Dad's name to the duo, Kermit and Phyllis. They gave me my first paid summer job in high school and made quite sure I had employment through my college years. Work was framing framing houses or helping on the Farm at Blue Rocks in Lenhartsville. Work on the Farm always included lunch fit for a king and an Ortlieb or two after sweating our butts off in the field or digging post holes for the horse fences. Rest in Peace Dear Lady! You deserve a peaceful rest in my eyes because you gave me so much. Jim Fritzingler
