“ I was fortunate enough to meet Rick on a job a few years ago. I knew right away that he was one of the good guys. Genuine, funny, always spoke what was on his mind. Rick and I always had great conversations while we worked. So sad that he is gone so soon. My deepest condolences to his family.

“ Rick was a dear friend of mine. We had many talks. I met him 32 years ago when he started painting my house and continued to do so until the last year. Rick was a genuine, good guy. Always ready to share a laugh. I will miss him dearly. God bless his family and friends.
