“ I remember a very fun forth of July when my parents took me to Allentown for a visit. We went to Dorney Park and the fireworks afterwards. We were children without a care in the world. Just a fun filled day with my cousins. Who would have thought back then that Bob would grow up to help so many people. God took a good one way too early.

“ My deepest condolences to Robbie and the Family. You were always a true gentleman, a wonderful Chief and a good friend. It was a privilege to serve the fire company under you and be chosen to succeed you as Chief and hopefully maintain the path of growth and professionalism you worked so hard to instill in all surrounding you. Gods Speed Chief.

“ I worked with Bob at Labor & Industry, we both started around the same time and had our initial inspector training together 20 years ago.

We worked in different state districts but remained friendly throughout the years and caught up when we saw each other at statewide training. A couple years ago I became a supervisor and really leaned on Bob for help on learning how to do the new job. He always answered my call and was willing to help. He was a man of high integrity, work ethic and compassion. He will be missed by all of us. I prayed in this time of sorrow that you are comforted by our Lord and Savior with his promise that he will never leave us nor forsake us. You have my deepest condolences, God Bless you all!
