“ *I have known Sandra since we were 4 years old, we grew up together as close as sisters would be. We shared the trials and joys of kindergarten through high school, college, pregnancy and motherhood together. Since I moved out if the Allentown area almost 30 years ago, we gradually lost touch, but I have and always considered her to be one of the most important people in my life. I will miss her always, and I pray she knows what she meant to me. We were the "Helgrim" sisters. I'm just heartbroken.*

“ Sandra was always such a kind, joyous, respectful and sweet Allentown Public Library employee. She always had a kind word for all and was so helpful and cheery at each visit. It was clearly evident how much she adored her son (and sometimes co - worker!). Rest in peace dear lady.
