“ So sorry to recently learn of Sherry’s passing. We spent many hours on the phone talking. I had tried to call a few times and sent a Christmas card but heard nothing in return. RIP sweet Sherry.

“ Sherry was my secretary at the brewery for years. A very serious person. Sherry made the best cheese cake. Lost touch after the brewery closed. RIP Sherry

“ Sherry and I were born one day apart. Our births were listed in newspaper together.
We met in junior high.
Later when she built a home in Neffs, we were always doing things together.
Many one day bus trips. She knew what she was doing in New York City! I did not.
I'd panic if I lost I sight of her and we would laugh.
We were in lioness together.
After we got our first dog she helped me.
She loved her Sammy!
I love you Sherry and will remember the good times!!!!!!
