

Stephen P. Brown

March 21, 2025

Stephen Paul Brown, 61, passed away unexpectedly. Stephen was a resident of the Lehigh Valley for almost his entire life. He attended William Allen High School, graduate of 1981, where he played soccer. He held a variety of jobs throughout his life, with his favorite being one of the terrifying creatures at Dorney Park's Halloween Haunt.

Stephen was the last of 3 children born to Irene and William Brown. Stephen is survived by his parents, who live in Allentown, his 2 siblings and their partners, Debra Brown Morris (Rick Morris) of Douglas, MA and Greg Brown (Doni Becker) of Allentown, and his niece Brittni Brown of Los Angeles, CA. Stephen loved sunshine, steamed clams, golf, biking, music, horror movies and pop culture. His quick wit will be missed, but he remains with us to share a laugh or two forever in our hearts.

Services are Private and will be held at the convenience of the family.

Memorial Donations can be made to the American Red Cross c/o of Trexler Funeral Home, 1625 W. Highland St. Allentown, PA 18102. Condolences may be offered at trexlerfuneralhome.com.
