“ *Role models and I mean first class role models are placed in certain places for a reason...the handshakes, the words, the time that someone gives you while you are growing personally and professionally are special. Mr. Robertson gave me those things on many occasions... I did go to school with his son and many years after graduating, Mr. Robertson continued to grow me...I am forever grateful for the guidance and true caring he gave so willingly to me.*

*Such a beautiful humble man!! He was such a blessing at Harrison Morton! And loved sitting in front of him at church listening to him sing and worshipping the Lord! Wonderful to know we will see him again! May God bring love, peace and comfort to his wife and family!!❤️🙏*
