“ My condolences to the family of Tammy.

*I lived in Alton Park near Tammy when I was a kid. Tammy sat behind me in 8th grade business class at South Mountain Jr High. She was definitely full of spunk and vigor. Always succeeding to annoy me in class. She had an afro back then. It looked to be 2 feet high. Other than annoying me at school, she was a great person. She will truly be missed.*

“ Our families grew up together and also shared Alton Park. Tammy was our babysitter. She used to sing for us and I would love to listen to her. Last time I seen Tammy in Allentown we sang a song together harmonizing. I was in Florida recently and touched based with her. She was outgoing, loving, and caring and had a genuine soul. My thoughts and heart go out to her family. She will be missed. Till we meet again.
