“ I first got to know Terry when he married my long-time childhood friend, Donna, in 1970. He always was such a kind and gentle person. Since he was so tall, I always thought of him as a gentle giant. We have always valued his friendship and Donna's over the many years. He will be missed by Michael and I very much. Our hearts go out to Donna and her family at this difficult time. Rest in peach, my friend.
