“ *Joyce, Jim, Susan, Mark, Shawn, Ronald & Families,*

*We were very saddened to hear of Tommy's passing. He was always very nice to our family. We have fond memories of our AC Indoor Racing trip and Tommy on his scooter making his way through ten plus inches of snow as nothing was going to stop him from watching his Nephew race, he sure gave us all a lot of laughs that day. I am sure he will be routing and watching out for you all from above. As you say goodbye to your loved one may you all find Comfort in the Love, Laughs, Time spent & Memories made. Our Thoughts & Prayers are with you all at this most difficult time and in the days ahead.*

*Deepest Sympathies,*
