

Victoria E. Malloy

September 27, 2025

Victoria "Tori" Case (Malloy), was born on October 9, 1988, and raised in Catasauqua, PA. She passed away unexpectedly in California.

Tori had a natural way of connecting with people and formed friendships wherever she went. In her younger years, her competitive spirit shone through as she excelled in softball, where she brought determination, energy, and a fierce love of the game. She lived boldly, unafraid to take risks, and she never hesitated to speak her mind. Though complicated and imperfect, she was also vibrant, funny, and deeply memorable. She loved her family, and despite her struggles, she will be remembered for her unique spirit, her capacity to love, and the impact she left on those whose lives she touched.

She is survived by her parents, Colleen O'Donnell (Michael Auer) and Gerald Case II; her sister Nicole (Rev. Scott) Dorn; her brothers, Dougie (Taylor) Case and Joshua (Alyssa) Case; her niece and nephew, Amelia and Owen Dorn; and her paternal grandmother, LaRue Case. She is predeceased by paternal grandfather Gerald Case, maternal grandparents Loretta Graberitz and Eugene O'Donnell Sr. She is also survived by several aunts, uncles, and extended family members who held her close in their hearts.

Services are to be determined.
